Statement of Work

AI Strategy & Delivery Retainer

Client: [CLIENT COMPANY NAME]
Contact: [FIRST NAME] [LAST NAME], [TITLE]
Service Provider: Tyler Perleberg / AISymmetric, LLC
Retainer Fee: [RETAINER FEE] / month
Effective Date: [EFFECTIVE DATE]
Billing: [BILLING CYCLE]
Governing Agreements: Master Services Agreement and Non-Disclosure Agreement (both executed)

1. Purpose

This Statement of Work defines the scope, deliverables, and terms of the AI Strategy & Delivery Retainer between AISymmetric, LLC ("Service Provider") and [CLIENT COMPANY NAME] ("Client"). The purpose of this engagement is to:

[DESCRIBE PRIMARY ENGAGEMENT GOAL — e.g., install AI-powered systems that increase booked meetings, improve sales conversion, and reduce manual operational work.]

2. Background

[Provide a brief background on the Client's business, current technology stack, team size, and strategic context relevant to this engagement.]

3. Scope of Services

The engagement is structured as monthly agile sprints, prioritized collaboratively at the start of each billing cycle. Service focus areas for this engagement:

- **AI-Powered Outbound & Lead Generation.** Personalized outreach campaigns, lead prioritization, multi-touch sequencing, and AI-assisted messaging.

Example: Weekly AI-generated email refresh pulling from advisor-specific data signals; automated multi-touch sequences.

- **CRM Setup, Automation & Data Hygiene.** Pipeline management, contact cleanup, lead routing, and workflow automation within your CRM.

Example: Automated lead routing and tagging; clean data migration from legacy sources.

- **Weekly Strategy & Advisory Sessions.** 30-minute focused working sessions covering priorities, blockers, and AI roadmap development.

Example: Weekly working sessions on messaging, conversion diagnostics, and sprint planning.

- **Workflow Automation & Internal Tooling.** Internal automations targeting operational efficiency, data hygiene, and time savings.

Example: Automated follow-up logic, form-fill triggers, and internal notification workflows.

- **Platform Orchestration & API Integrations.** Connecting your tech stack via APIs so data flows where it needs to automatically.

- **AI Assessments & Strategic Roadmapping.** Structured audits of your operations, funnel, and tech stack to surface highest-leverage AI opportunities.

4. Monthly Deliverables

Each month, the Service Provider will deliver:

- **4 × weekly 30-minute strategy & advisory sessions (or equivalent async coverage)**
- **1–2 AI workflow, automation, or campaign builds per sprint**
- **Continuous async support via Slack or email**
- **Sprint planning & retrospective documentation**
- **Monthly progress summary with key metrics and next-cycle recommendations**

Specific priorities are confirmed collaboratively at sprint kickoff and may vary based on evolving business needs.

5. Success Metrics

Performance will be evaluated against the following business outcomes:

- **Volume and quality of AI-driven outputs (leads generated, automations built, campaigns deployed)**
- **Hours of manual operational work eliminated per month**
- **Conversion rate improvements in targeted workflows**
- **Platform adoption and integration health**

Baseline metrics will be established during the kickoff session in Sprint 1.

6. Pricing & Payment Terms

Monthly Retainer: [RETAINER FEE] USD
Billing Cycle: [BILLING CYCLE]
Payment Due: Within 15 days of invoice receipt
Late Fee: 1.5% per month on outstanding balances

Additional engagement models (performance-based, revenue share, or project-based hourly) are available upon mutual written agreement and amendment to this SOW.

7. Scope Exclusions

The following are outside the scope of this retainer unless separately agreed in writing:

- **Full platform migrations or large-scale CRM rebuilds (>40 hours in a single sprint)**
- **Third-party software licensing or paid media/advertising costs**
- **Work outside agreed sprint scope (requires written change order)**
- **Dedicated developer or designer resources beyond AISymmetric, LLC principals**

8. Immediate Next Steps

[FIRST NAME] [LAST NAME] ([CLIENT COMPANY NAME]):

- ☐ Execute MSA and this SOW
- ☐ Share access credentials for relevant platforms
- ☐ Confirm kickoff session availability
- ☐ Provide any existing data, prospect lists, or assets

AISymmetric, LLC:

- ☐ Schedule 60-minute kickoff session
- ☐ Conduct initial tech stack & process assessment
- ☐ Deliver Sprint 1 plan within 5 business days of kickoff

9. Engagement Evolution

This SOW is designed to start focused and expand as the engagement matures. Scope, pricing, and service areas will be reviewed quarterly by mutual agreement to reflect [CLIENT COMPANY NAME]'s evolving needs and demonstrated results.
